

# Technical information

## Bridge

### Equipment

Mobile audio and video systems as well as ambient decorative lighting enable customised set-ups.

Thanks to simple operation and fast set-up times, we can customise these areas for you within minutes:

- Power-independent audio system with wireless microphone
- Power-independent decorative LED ambient lighting (from the floor)
- Full HD / 70" screens freely positionable
- Room divider systems (Easydrape) with black molleton
- Red carpet

### Digital Signage

Your brand in the foreground. Welcome your guests with impressive, large-scale adverts on our mobile signage screens. The integrated Magic Info Signage system opens up almost unlimited possibilities: Easily upload images, logos, videos, presentations or graphics and present your message in style. Let us advise you on how to make the most of the system's wide range of applications.

### Employees

Our on-site technical team will accompany and support you from the conception to the dismantling of the last decoration after a successful event. We will be happy to advise you on how staff can be deployed most efficiently and in line with your needs. Thanks to the comprehensive basic technical installation, many of the usual technical costs are already eliminated. Depending on the duration and type of event, we will work with you to determine the necessary expenditure. This ensures that the event runs smoothly and avoids unnecessary costs.

We look forward to welcoming you and your guests!
